ZYME COMPLAN-CS

"Supplementary enzyme and probiotics for corn-soya diet"

COMPOSITION

Enzymes in Zyme Compln-CS

A-Galactosidases

Amyloglucosidases

Amylases

β -Glucanase

Cellulases

Hemicellulase

Lipase

Pectinases

Proteases

Xylanase

Mannase

BENEFITS

Improves health
Improves feed consumption, better FCR
Increase energy and protein availability
Increase profit by faster growth

Dosage : 400-500g/ton,
As prescribed by Doctors and nutritionist

Packing Size :
10 KG, 25 KG/BOPP BAGS

Zyme Compln-CS is an animal feed
supplement, not a medicine and not for human use
