PRODUCT SPECIFICATION

Temperature : 20°C - 60°C Storage
MRP : Ask for quote
Biodegradability : 1 Year
Dosage : 500 g /ton of feed, As prescribed
by Doctors and Nutritionist

Packing availability
10 KG, 25 KG/HDPE bags and
HDPE Drums

MULTICOMPLAN

“ COCKTAIL ENZYME FOR BIRDS ”

COMPOSITION

ENZYMES IN MULTICOMPLAN	PROBIOTICS IN MULTICOMPLAN
Amylases - 250 IU	<i>Saccharomyces cerevisiae</i>
β -Glucanase 1000 IU	<i>Sacchromyces boulardii</i>
Cellulases -50 IU	<i>Bacillus subtilis</i>
Hemicellulases - 50000 U	<i>Lactobacillus acidophilus</i>
Lipase - 500 U	<i>Lactobacillus casei</i>
Pectinases -1000 U	<i>Lacto bacillus</i>
Proteases-1600 HUT	<i>Lactobacillus bulgarics</i>
Phytase - 100 IU	<i>Spirulina</i>
Xylanase-250 IU	<i>Streptococcus lactis</i>
Amyloglucosidases -6000 IU	<i>Bacillus licheniformis</i>

Dosage : 500 g /ton of feed

BENEFITS

Improves health
Improves feed consumption
Increase energy
Increase profit

Symbionts with Microbes
